## **Payment Policy**

Payment for services and products is expected at the time of the appointment. Initial adult visits are \$225. Initial pediatric visits are \$150, with a discounted sibling rate of \$100 per additional child. Return well-child visits are \$90. All other visits are charged at a \$180/hour rate.

This office accepts the following forms of payment: cash, check, Visa, Mastercard, and Discover.

Please be aware that most insurance providers in the state will not cover naturopathic care. This office does not bill insurance companies directly, but we can provide you with a superbill on request. You may have the ability to use your Health Savings Account (HSA), if you have one.

It is our policy to never deny care for financial reasons. Every reasonable effort will be made on your behalf to come to a workable solution for you and/or your children to receive naturopathic care. In most cases, this will mean a payment installment plan. Continuation on a payment plan is dependent on timely payment of installments.

This policy is in effect as of September 26, 2016.
